

I feel that the FCC should not implement any proposal that would lessen Indiana's Telephone Privacy law protections.

Indiana's Telephone Privacy law has improved my families and my time at home.

Indiana's Telephone Privacy law has been very effective, I used to receive 2-3 unwanted calls every evening, now I receive none.

I believe the Indiana Telephone Privacy law has played a very important role in my peace mind and the safty of my family, now the only calls I receive are those that I want to answer.
